

KEVIN CORLEY - PUBLICATIONS

Books

Corley KTT and JO Stephen (Eds) (2008). The Equine Hospital Manual. Multi-author text. Wiley-Blackwell Publishers. ISBN 1405130164

Book Chapters

Corley KTT (2011) Shock, Resuscitation, Fluid and Electrolyte therapy. In: Bernard B and Reimer J (eds). Equine Pediatric Medicine. 1st Edition. London: Manson Publishing. pp 27-52

Corley KTT (2009). Fluid therapy for horses with gastrointestinal diseases. In: Smith BP (ed). Large Animal Internal Medicine. 4th Edition. St. Louis: Mosby. pp.767-779

Corley KTT (2008). Several chapters in Corley KTT and JO Stephen (eds). The Equine Hospital Manual. Wiley-Blackwell Publishers.

Corley KTT (2008). Chapter 17: Treatment of Shock. In: White NA, Moore JN and Mair TS (eds). Equine Acute Abdomen. 2nd Edition. Teton New Media. pp.309-336

Corley KTT and Hallowell GD. Chapter 18: Treatment of Endotoxemia. In: White NA, Moore JN and Mair TS (eds). Equine Acute Abdomen. 2nd Edition. Teton New Media. pp.337-349

Corley KTT (2007). Foal Resuscitation. In: Divers TJ and Orsini J (eds). Manual of Equine Emergencies. 3rd Edition. Elsevier. pp 533-43

Corley KTT (2004). Fluid therapy. In: Bertone JJ and Horspool L (eds). Equine Clinical Pharmacology. 1st Edition. London: W.B. Saunders. pp.327-364.

Corley KTT and MO Furr (2003). Chapter 12.5 Cardiopulmonary resuscitation in the newborn foal. In: Robinson NE (ed). Current Therapy in Equine Medicine. 5th Edition. Philadelphia: Saunders. pp.650-5.

Corley KTT (2002). Fluid therapy for horses with gastrointestinal diseases. In: Smith BP (ed). Large Animal Internal Medicine. 3rd Edition. St. Louis: Mosby. pp.682-94.

Furr MO and KTT Corley. Perinatal hypoxia. In: Lester GD (ed). Equine Perinatology. 1st Edition. St. Louis: Mosby. *Submitted*

Original Research

Dunkel B, KT Corley KT, AL Johnson, TH Witte, M Leitch, CM Marr and R Weller (2013) Pneumocephalus in five horses. *Equine Veterinary Journal* **45**, 367-71

Corley KTT and MMB Corley (2012) Hospital treatment as a foal does not adversely affect future sales performance in Thoroughbred horses. *Equine Veterinary Journal* **44**, Suppl. 41, 87-90

Galvin NP and KTT Corley (2010) Causes of disease and death from birth to 12 months of age in the Thoroughbred horse in Ireland. *Irish Veterinary Journal*. **63**, 37-43.

Hollis AR, MO Furr, KG Magdesian, JE Axon, V Ludlow, RC Boston and KTT Corley (2008). Blood glucose in critically ill foals. *Journal of Veterinary Internal Medicine*. **22**, 1223-7.

Hollis AR, JC Ousey, L Palmer, JO Stephen, SJ Stoneham and KTT Corley (2008). Effects of norepinephrine and combined norepinephrine and fenoldopam infusion on systemic hemodynamics and indices of renal function in normotensive neonatal foals. *Journal of Veterinary Internal Medicine*. **22**, 1210-5.

Durando MM, KTT Corley, RC Boston and EK Birks (2008) Cardiac output determination by use of lithium dilution during exercise in horses. *American Journal of Veterinary Research*. **69**, 1054-1060.

Hollis AR, RC Boston and KTT Corley (2008). Plasma aldosterone, vasopressin and atrial natriuretic peptide in hypovolaemia: a preliminary comparative study of neonatal and mature horses. *Equine Veterinary Journal*. **40**, 64-69

Hollis AR, RC Boston and KTT Corley (2007). Blood glucose in horses with acute abdominal disease. *Journal of Veterinary Internal Medicine*. **21**(5): 1099-1103

Corley KTT, G Pearce, KG Magdesian and WD Wilson (2007). Bacteraemia in neonatal foals: Clinicopathological differences between Gram-positive and Gram-negative infections, and single organism and mixed infections. *Equine Veterinary Journal*. **39**, 84-86

Hollis AR, JC Ousey, L Palmer, SJ Stoneham and KTT Corley (2006). Effects of norepinephrine and a combined norepinephrine and dobutamine infusion on systemic haemodynamics and indices of renal function in the normotensive neonatal Thoroughbred foal. *Journal of Veterinary Internal Medicine*. **20**, 1437-1442

Hallowell GD and KTT Corley (2006). Preoperative administration of hydroxyethyl starch or hypertonic saline to horses with colic. *Journal of Veterinary Internal Medicine*. **20**, 980-986

Hollis AR, JC Ousey, L Palmer, SJ Stoneham and KTT Corley (2006). Effects of fenoldopam mesylate on systemic hemodynamics and indices of renal function in normotensive neonatal foals. *Journal of Veterinary Internal Medicine*. **20**, 595-600

Hallowell GD and KTT Corley (2005). Use of lithium dilution and pulse contour analysis cardiac output determination in anaesthetized horses: a clinical evaluation. *Veterinary Anaesthesia and Analgesia*. **32**, 201-11

Corley KTT, LL Donaldson and MO Furr (2005). Arterial lactate concentration, hospital survival, sepsis and SIRS in critically-ill neonatal foals. *Equine Veterinary Journal*. **37**, 53-9

Stephen JO, KTT Corley, JK Johnston and D Pfeiffer (2004). Factors associated with mortality and morbidity in small intestinal volvulus in horses. *Veterinary Surgery*. **33**, 340-8
